### **Appeals and Judicial Review Matters**

When a case reaches the appeal and administrative review stage, there will be many complicated matters involved, both factual and legal. Therefore, the prices below are very variable. Pricing will depend on how complex the case is and on the amount of work that is required. It can also include court fees, getting expert reports and opinions from barristers which will be outside the fees listed below. We will be able to give you a price after discussing your case at the initial consultation. If documents need to be checked, this will need to be charged separately.
